INFORMATION WE COLLECT

We may collect the following types of information in the manner described below.

1. We collect information from and about you when you visit or use with the Site.

Following are examples of ways in which you can visit or use the Site:

- To provide contact information (for example, full name, postal address, email address and a telephone number and related preferences), information for transactions with us and/or a third party through the Site, information provided in connection with products and services, payment information (for example, credit card information or financial account information for another type of payment), demographic information (for example, age or date of birth, gender or zip code); and
- Information when you contact or otherwise interact with us or a third party (for example, your search queries on the Site or reporting an issue with the Site).

2. We can receive information from or about you through any other individuals or third parties, including third party service providers and/or third party social networking services, which information can be used as described in this Policy.

3. We can automatically collect other information about you, including:

- Operating system;
- Browser type;
- Your Internet Protocol (IP) address;
- Domain name of your Internet service provider;
- Your geographic location;
- The website you visited before browsing to the Site;
- The Site pages that you visit and the time of your visits; and
- Aggregate data that cannot be used to specifically identify you when you use or visit the Site.

4. We can collect information about you from publicly accessible sources.

5. We can combine any of the information we collect from or about you and use it in the manner described in this Policy.

HOW WE CAN USE YOUR INFORMATION

We can use the information that we collect for the following purposes, including:

- The purposes for which you provided it (for example, engaging in a transaction with us or a third party);
- To provide or to facilitate providing you with products and services;
- To provide the Site to you, including any notifications or updates relating to the Site;
- To respond to your inquiries and comments (for example, regarding support or other requests);
- To send you information about your relationship or transactions with us;
- To notify you about changes to the Site, our policies, terms or any products or services we offer or provide through it;
- To improve the Site or to develop new products and services;
- To identify you as a user of the Site;

- To contact you with information, including marketing information, that we believe will be of interest to you, either by us or a third party;
- To customize our marketing;
- For testing, research, analysis and product and service development that we or a third party can perform regarding the Site (for example, user base and Site usage);
- To create anonymous data or de-identified data, which we or a third party can do and which we or a third party can use for any purpose;
- To aggregate data, which we or a third party can compile, and which we or a third party can do and can use for any purpose;
- To analyze how you use the Site and to analyze the Site, which we or a third party can do;
- To allow us to personalize and enhance your experience using the Site;
- To call you via telephone and send you electronic communications (for example, emails);
- To allow you to participate in interactive features on our Site;
- To carry out our obligations and enforce our rights arising from any contracts entered into between you and us;
- To investigate, and deter against fraudulent, unauthorized, or illegal activity and otherwise protect our users and our business;
- To administer and troubleshoot the Site;
- In any other way we can describe when you provide the information; and
- As otherwise stated in this Policy.

HOW WE CAN DISCLOSE YOUR INFORMATION

We can disclose information to third parties in accordance with this Policy. A user can choose not to share certain information. Please see Your Choices Regarding Your Information below.

1. Third Parties and Service Providers. We can use third parties or service providers to perform functions in connection with the Site (for example, providing products or services, marketing, data analysis, enhancing the information collected from or about you, etc.). We can use third parties or service providers to perform any of the actions or activities allowed under this Policy. We can share information about you that they need to perform their functions and in accordance with our agreements with them.

2. **Subsidiaries and Affiliates.** We can also share your information with any subsidiary or affiliate of ours for purposes consistent with this Policy. Any subsidiary or affiliate of ours will be required to maintain that information in accordance with this Policy.

3. **Business Changes.** If we become involved in a merger, acquisition, sale of assets, divestiture, joint venture, securities offering, financing, bankruptcy, reorganization, liquidation, dissolution, or other transaction or if the ownership of all or substantially all of our business otherwise changes, we can share or transfer your information to a third party or parties in connection therewith and it can be used subsequently by such third party or parties.

4. **Investigations and Law.** Regardless of any choices you make regarding your information (as described below) and to the extent permitted by applicable law, we can disclose information about you to third parties to:

- Comply with law, in response to subpoenas, warrants, or court orders, or in connection with any law or legal process or cooperate with government or law enforcement officials or private parties;
- Protect our rights, reputation, safety and property or in an emergency, or that of our users or others;
- To resolve disputes;
- Protect against legal liability;
- Establish or exercise our rights to defend against legal claims; or
- To investigate, prevent or take action regarding suspected illegal activities, suspected fraud, the rights, reputation, safety or property of us, users or others, our policies or agreements or as otherwise required by law.

5. **Site Analysis.** We or a third party can analyze how you use the Site and can analyze the Site.

6. **Aggregate, Anonymous and De-Identified Data.** We can share aggregate, anonymous or de-identified data relating to visitors to and users of the Site with any third party for any purpose.

7. **At Your Request.** We can share your information with any other individual or third party or service provider at your request.

8. **With Your Consent.** We can share your information other than as described in this Policy if we notify you and you consent to the sharing thereof.

9. **For Any Other Purpose Disclosed by Us.** For any other purpose we describe to you.
